- ⇒ The main activity is to complete doodle notes – you can color them and fill in the blanks using the provided PowerPoint. This is a great way to get you exposed to some of the content that we will be covering when we return!
- ⇒ There are three packets – you can do one per week.
- ⇒ If you chose online learning, you can access the ppt's and doodle notes online – however, I did print the doodle notes and put them in your envelope for pick up at school.
